

73% retention

(Students who enroll and persist in the program; includes graduates and all students currently enrolled and pursuing a degree, as a percentage of all who matriculated initially.)

94% employment

(Students who have been employed at time of PhD program completion, or within the first year, if seeking employment.)

The data below is calculated beginning from the year 2007 and later, through March 2019.

1 st year retention	2 nd year retention	Received 'Master's within PhD' Diploma*	Continued to Candidacy**	Completed PhD once in Candidacy^
61/62 98%	52/54 96%	40/45 89%	33/45 73%	17/21 81%

* Students who successfully complete Pre-Candidacy coursework and grade requirements may apply to receive a 'Master's within the PhD Program' diploma.

** Students who successfully complete all Pre-Candidacy requirements including passing a qualifying exam, and securing a commitment of a thesis advisor may apply to continue into the Candidacy phase of the program.

^This figure is from March 2019. Of the 21 students who entered Candidacy 17 completed the PhD program, 2 transferred prior to completion, and 2 withdrew.
